PIVOT POINT SUPPORT DURING THIS CHALLENGING TIME

We understand that the COVID-19 (Coronavirus) pandemic is creating an incredibly challenging time for you, your families, your school and your community.

Via our online learning management platform, LAB, we want to ensure any school that does not have access to a digital learning platform, has the necessary support, both for your education leaders and your learners.

If your school is required to close or your students are unable to attend classes due to U.S. federal, state or locally issued mandates, and your school is not currently using LAB, access will be complimentary. **This applies to all currently enrolled hair, beauty and wellness students in North America.** In addition, we are offering unlimited training webinars to get you up and running as quickly as possible.

OUR LEARNING ENGAGEMENT TEAM WILL BE HOSTING A SERIES OF CONTINUOUS, COMPLIMENTARY WEBINARS WITHIN THE NEXT FEW WEEKS:

- FOR EDUCATORS: TEACHING AND LEARNING STRATEGIES AROUND DISTANCE LEARNING
- FOR REMOTE LEARNERS: THEORY-RELATED TOPICS

STAY TUNED FOR TOPICS, DATES, TIMES AND INSTRUCTIONS TO REGISTER.

Please note: Not all states have approved distance education. You will need to comply with all State, Accreditation Agency and U.S. Department of Education requirements, to be eligible to offer distance education.

For an immediate response, please email info@pivot-point.com or call 800-886-4247 during regular business hours to get started.

Sincerely,
Robert Passage
