

# 2024 Golden School Awards Planning Document

**Overview:** AACCS is proud to announce the 2024 Golden School Awards. Our schools go above and beyond in so many ways and now is your chance to prove why your school does it the best. All entries will be judged by beauty, barber, and wellness professionals who are independent from the AACCS membership.

Do you have the finest facilities, the best school culture, or does your school create a positive impact on the community? Are you “School of the Year” material? We know you are amazing, so go ahead and apply—you can’t win unless you enter!

Schools may submit applications for one or all nine categories.

**Submission deadline:** August 13, 2024 (Online submission portal will be open between August 7 – 13, 2024)

**Submission fee:** \$149 per campus – one flat fee per campus grants unlimited submissions to enter as many categories as you like. The AACCS Golden School Awards are open only to AACCS member schools.

## Submission Planning

Before formally submitting your entry, carefully review the award category descriptions, criteria, details, and examples. Gather supporting documentation to accompany your submission. This can include pictures, videos, data, testimonials, screenshots, etc.

Visit the submission portal between August 7-13, 2024, to upload your submission.

Our questions are open-ended because we want to hear directly from you why you believe your campus is the best in the category in which you are applying. There is no one who knows your campus better than you. Do your best to describe what makes your campus better than the rest and be sure to address each of the category criteria. Your answers can be as long or as short as you need to fully paint the picture of why your campus deserves to win. While submitting pictures and videos with your entry is not required, it is encouraged.
